

Evenings of recollection for men

Castleville Study Centre

Golf Links Road, Castletroy, Limerick

Evenings of recollection provide an opportunity to develop the quality of our Christian life and our relationship with Our Lord in the Blessed Sacrament. They also offer practical suggestions on how to find God in everyday work, family life and in interactions with other people.

They consist of two periods of guided prayer, a practical talk on a spiritual topic and conclude with Benediction with the Blessed Sacrament. They are given by a priest of the Opus Dei Prelature (www.opusdei.ie), who is available for Confession and spiritual guidance. In the interval there is time for quiet prayer and reading.
